Smith Gray & Co. manufacture their own clothing and save you the usual wholesalers' profits.

The last few weeks of unseasonable weather in October put the clothing sales in New York, according to Daily Trade Record, 35% behind last year and we are offering our surplus production—all brand new garments-at prices, considering quality, that have not been equalled this season.

Our policy, that insists upon continuous factory productions regardless of sales, is, of course, the direct cause of this great cut in prices.
